Year 5 Leadership Assembly
Leadership is unlocking people’s potential to become better. Bill Bradley

A huge congratulation goes to all 16 candidates who nominated to stand for leadership positions in 2016. All students presented engaging and interesting speeches about their role models, their reflections on our school and how they could contribute to its future and how they as leaders hope to make a positive difference. This enthusiastic response clearly shows the diligent and responsible nature of our students. It definitely made the voting process extremely hard as all candidates would undoubtedly make inspirational leaders. The 2016 leadership positions will be announced during our presentation day ceremony on Thursday 10 December at 9.30am.

Creative Life Festival
The school is buzzing with excitement as we prepare for next week’s Creative Life Festival. This event is unique to our school and is an amazing opportunity for your children to explore their interests, enjoy new opportunities and work with some inspirational people. Make sure you check out the festival brochure for all of the events which are on over the two weeks. We warmly invite you to the festival opening next Monday 16 November at 9.30am in the hall.

2016 Band Information Evening
I encourage all students and their parents who are interested in joining the 2016 band program to come along to the information session tomorrow night at 6.30pm in the hall. A note was sent home earlier in the week to all students in years 2-4 regarding this. It will be a great opportunity to hear how the program works, look at the instruments available and pick up an application package.

Working Bee – this Saturday 14 November 8am – 12pm
I encourage as many families as possible to join us this coming Saturday for our final working bee of the year. Let’s get our school looking fabulous ahead of the Creative Life Festival and end of year events.
KMO with Ms Mullane

Our Material World

“What’s it made of?” is a question many KMO students have been asking themselves and their friends. We have been investigating materials and their properties. Is it smooth? Can you bend it? Does it resume its original shape after you stretch it? Does it let light through? Finding out the particular properties of materials helps us to understand how that material can be used to make and do new things. The Creative Life Festival will be the perfect opportunity for us to reuse materials in new and interesting ways. Pop over to our space on exhibition night to see what we come up with!

**Scholastic Book Clubs**

We are very excited to be running our second Scholastic Book Club for the year. We are always looking for ways to encourage the children to read at home and at school. Children who read at home, or are read to, have a head start on reading success at school. A catalogue has been sent home to all students with some lovely gift ideas.

Reward points will be given to Daceyville for book purchases. **All transactions must be done online through the LOOP system and orders will be delivered to school. Term 4 closing date is 19 November 2015.** Our school coordinator is Ms Renate.
